25 Protest C-2 Zoning Try Here

Loud protests by approximately 25 homeowners at last week's Daly City Planning Commission meeting persuaded Colma resident Frank Garibaldi to withdraw and probably modify his application for rezoning seven lots on Market street between County street and First avenue.

The protesting citizens, headed by Rose Belli and Wayne Alexander, feared that Garibaldi's requested R-2 zoning might bring light industry to the predominantly residential area. Garibaldi sought commission approval on changing the present zoning from R-3 and C-1 (stores) to C-2 (light manufacturing).

The applicant said he would re-consider, possibly asking for only C-1 zoning.

In another major discussion, the commission split 3-2 for continuing to their next session a decision on granting a use permit to Mrs. Charles W. Jacobs, 236 Belhaven avenue, Westlake, for the erection of a sun deck on the rear slope of her property. Commissioners John Schaeffer, Del Gore and Tony Masini voted to continue the matter to see if a compromise might be worked out with the Westlake Improvement Association. The latter agency turned down the sun deck application, claiming it violates the Association's by-laws and deed restrictions. Voting against continuance of the matter were planning commissioners Richard Dwyer, chairman, and McRobert Stewart. The latter is a member of the Association's board of directors.

A petition filed by California Modern Builders Inc. to rezone 18 lots on Frankfort street from R-1 (houses) to R-3 (apartments) was withdrawn after the commission pointed out this would constitute "spot zoning" and there are no R-3 lots contnguous to those proposed for apartment development.

In other agenda items, the commission:

1. Approved variance requested by City Engineer Bill Chapman to reduce required setback from 14 to zero feet on four lots fronting Niantic avenue—site of the proposed $100,000 new pump house, adjacent to the city's corporation yard.

2. Granted variance to Systematic Savings and Loan Association, 7070 Mission street, for erection of an illuminated revolving sign at that address, with a height of 42 feet. City ordinance restricts sign heights to 36 feet. The varfance was approved on condition sketch of sign is submitted to and approved by the planners within 60 days.

3. Tabled petition filed by Hugh H. Smith Jr. and George W. Smith, 6843 Mission street, Daly City, to rezone nine lots in Edgewood Terrace subdivision from R-1 and unclassified to R-3 for apartments.

The Smith brothers did not attend the meeting, thus no action was taken. The property they seek rezoned is located on a portion of the land once proposed for the new Mary's Help Hospital.

The next regular meeting of the commission is on February 14 at 8 p.m. at City Hall, 75 Wellington avenue.

Arriving Soon?

Daly City's new library in Westlake is still awaiting the balance of its furniture, City Librarian Samuel Chandler reported this week.

"Our supplier seems to be pretty evasive. We're told only that the furniture will be here 'soon.' That's about as precise an arrival date as we can offer."

Chandler elaborated that most of the furniture yet to come consists of lounges and easy chairs, "the nicer things for people who want to sit back and read for awhile."

A dedication date for the new library will not be announced until all the furniture has arrived.

Councilmen Meet

A regular meeting of the city council of Daly City will be held next Monday night, January 23, starting at 8 o'clock at 75 Wellington avenue.

New Park Code Is Proposed

Daly City's parks and recreation commission last week urged the drafting of a comprehensive code to protect community property and users of municipal facilities.

Recently on record for a "loitering after dark" park ordinance, the commission has instructed Recreation Director Chuck Vincent to prepare a code covering all phases of park and recreation operations. This code, patterned along the lines of San Francisco's, would be enforced by a new city ordinance.

The code would safeguard park equipment, and landscaping, include restrictions on hours and areas for certain activities, designate assignment of supervisory personnel, and curb violations by vandals and others.

Vincent is studying codes used by other cities and will eventually draft one for submission to the commission.

Last week's meeting was highlighted by the request of four local baseball managers who are exploring the possibility of obtaining for Daly City a Little League-type park for exclusive use of the smaller baseballers. George Benson, James Radford, W. C. Shelver and Ken Smith asked the commission to look into the proposal.

Vincent explained that such a park would be a welcome facility, "but land for parks is scarce and we have problems trying to provide adequate playground facilities right now."

The four managers agreed to consult with local school officials to see if certain school playground areas might be converted to such use.

The War Memorial Community Center's heating "problem" was brought up by Vincent. He estimated that an expenditure of $500 is necessary to put the automatic heating control system into effective operation. At present, the heating is controlled manually, and Vincent claims the automatic device should be utilized.

Vincent also explained that

Doelger To Construct $750,000 Synagogue For Temple Judeans

The 272 families comprising the present Congregation Judea of Daly City will walk into a striking new Temple of worship next September, Congregation officers announced this week.

The officials met Tuesday afternoon with Henry Doelger, Westlake builder, and Rabbi Robert W. Shapiro, to discuss final plans for construction. Doelger has offered to erect the temple at cost of labor and material.

Estimated total cost of the project is $750,000. Max Rudorfer, manager of Caine Steel Company at Emeryville, and president of the Congregation, predicted that building will have progressed far enough by mid-September to permit opening of the temple for the Jewish holidays. At that time, according to Rudorfer, it will accommodate 750 people. When completed, he said, there should be room for an estimated 400 families or 1000 people. Rudorfer added that the first increment, covering construction between inception and next fall, will amount to $150,000.

The temple will be built on Brotherhood way, just north of Westlake, in San Francisco. Three other churches are planned for the multi-denomination strip, including a First Church of Christ, a Greek Orthodox church and also a Masonic temple. Temple Judea will be the first of the four to open its doors, Rudorfer revealed.

The temple, modern in design, will be on a U-shaped plan, with surrounding lawn and semi-circular front driveway.

Other Congregation officers at the meeting, who joined Doelger in formally presenting the Temple plan to Rabbi Shapiro, were first vice president Fred Gruen, vice president of Ruo-Bed Corporation, San Francisco, and second vice president Hillard Goldstein, senior partner in the law firm of Brann and Stern, San Francisco.

Personnel Board Favors 2 Per Cent Wage Boosts; Nixes 'Fringe' Benefits

The Personnel Board last Thursday night approved 2 per cent salary increases for all Daly City municipal employees, retroactive to January 1, 1961, and ending June 30 this year.

The council, approached officiallly by the Muni Employees Union and the Police and Fire Association four weeks ago, is expected to ratify the wage hikes at Monday's regular meeting.

The two percent authorization, covering the final six months of the fiscal year, will necessitate transfer of approximately $12,000 in reserve funds to the salaries column.

All 200 Daly City employees, including department heads, were granted 3 per cent wage increases when the present budget was adopted last summer. The personnel board, at that time, had recommended 2½ per cent boosts six months apart, but the council limited the increase to a flat 3 percent for the entire fiscal year.

Jay Hartmann again represented the miscellaneous employees last week. His group got what it requested—2 percent, but the Police and Fire Association, represented by Attorney Tom Bocci of Colma, persisted in its plea for a 5 per cent increase for these employees, plus fringe benefits denied by the council last year.

On motion of commissioner Joseph Schultz, seconded by Albert Polonsky, the board went on record to ask the council to grant 2 per cent wage hikes. The vote was a unanimous 4-0. Fifth member of the board, chairman Mel Battye, was absent.

Bocci, basing his arguments on the police and firemen's comparative salary survey, stressed the need for higher salaries "to retain and recruit highly qualified essential personnel."

But the Personnel Board refused to re-open the matter of fringe benefits — clothing allowances, a 63-hour work week (one hour less) for firemen, more pay for policemen for court duty, more sick leave, and longer vacations.

These "fringe" requests were rejected last year by the same board, and later by the council.

The employee requests were resolved about 10:30 p.m., then most of the audience left. The meeting finally ended about 11:30.

The board, in other agenda business, declined to take any action on the council's request that the eligibility list for firemen and police sergeant be extended again. Instead, the board took under consideration Finance Director Joseph Arch's recommendation that the eligibility lists for all city jobs be for a two-year period with no extensions possible. Presently, eligibility lists expire after a year, but these can be extended for two six-month periods. Arch feels the necessity of establishing new lists via examinations is too costly and the city could save money by making the lists valid for a two-year period. The present firemen and police sergeant lists expired last November 14—a deadline that included a six-months extension.

The board set its February 9 meeting for public hearing on extending the probationary period to one year for all new employees and those promoted to new duties. All Daly City department heads favor this longer probationary period, according to Phil Brown, assistant city manager.

Fire Chief Elmer Kennedy asked the board to take under study his recommendation of restricting the entrance examination for firemen to residents of Daly City.

Under new business, the board received letters of commendation from citizens, citing the efforts of police officers Richard Sims, David Johnstone, police sergeant David Hansen, and police dispatcher Charles Maschinot.

The assistant city manager asked the panel to set public hearing date on adoption of new duty statements for central serviceman and central supervisor (central warehouse assignments), and for purchaser-license inspector. Shelby Ross, parking meter repairman, would become the central serviceman supervisor, and a new position for an assistant would be authorized.

Bob Evans, city buyer, will be transferred from the warehouse to the finance office where his duties will be purchasing and checking out all business licenses.

'Cold' Crowd At City Hall?

Things weren't so "hot" at Daly City Hall early this week.

The place was as cold as a morgue because the downstairs boiler "conked out" late Monday, according to assistant city manager Phil Brown. Employees were still wearing their coats on the job as this was written.

Brown said repairs to the much-repaired heating system were begun Tuesday. The project shouldn't take more than a couple of days.

Meanwhile, the atmosphere inside the 22-year-old building is chilly to say the least.

Glass Appoints Lions' Chairmen For Youth Art

George Glass, president of the Daly City-Colma Lions Club, today announced chairmen for the 1961 "Youth Art Exhibit" at War Memorial Community Center, April 4 to 9.

Elio Fontana, Stanford Hannah, Ray Charette and Lyal Ingersoll are in charge of general planning, arrangements and supervison of the student entries

The other committees, duties and members:

Construction — Ingersoll, Charette, Larry Comer, Joe Lewkowitz and Howard Voldman. Publicity — Fontana, Harold P. Bradshaw and Henry Weibel. Contacts—Hannah, Fred Goodell and the Rev. Thomas H. Whelpley. Judges—Fontana, Arnold Panella and David Friendenberg. Prizes—Fontana, Edward Byrne and Ray Logan. Printing—Hannah, T. R. Hopman and Ray Lagomarsino. School Bond Backers Cite How Funds Spent

The 100-member "Bonds For Building" committee, backed by the support of 800 signatures thus far, today continued to urge "yes" votes in the school bond election here February 7.

"Both the Jefferson High School District and the Jefferson Elementary School district have exhausted their bond funds and state loans—monies that were approved at the polls in 1951, 1954, 1957 and 1958," explains Bob Smice, chairman of the citizens' committee.

"Unless the new bond and state loan requests are victorious next month, parents will find their youngsters crowded into classrooms and probably on double sessions by 1965."

Smice and school superintendents Richard Foster and Edward Morgan last week clearly pointed out that "yes" votes February 7 won't mean higher property taxes for homeowners in the two districts.

"This is a fact in black and white," continued Smice. "Both school districts are paying back the state funds at the maximum rate now, so no higher taxes would accompany passage of the new bonds and state aid."

All the funds authorized by "yes" votes February 7 are to be used exclusively for new classroom construction, according to the superintendents. This is the restriction under state law and there can be no doubt about it.

The facts, as supplied by the superintendents, concerning the money from the previous bond issues, are as follows:

Jefferson High School District won voter approval on $1.3 million in local bonds in 1951, $1.6 million in local bonds in 1954, and $2.9 million in local bonds in 1957. This total amounted to $5.8 million in local bonds for new facilities. Add to this the 1957 state loan of $8 million, and the district's total (local and state funds) was $13.8 million.

Before entering the state aid program in 1957, the high school district spent district bonds as follows: $525,281 at Jefferson High, $3,571,619 for Westmoor High, $157,110 toward Oceana High in Sharp Park, $45,224 toward Terra Nova High in Pacifica, and $18,135 in miscellaneous con-

'Wrong' Story Attributed To Police Error

Erroneous information provided this paper by the Daly City Police Department resulted in the printing of an inaccuracy in last week's edition.

The article stated that one Fred E. Nash, sales engineer, wanted in the Santa Anita Judicial District for allegedly passing fictitious checks, had voluntarily surrendered himself to local police.

The story should have stated that Nash was being cited for alleged non-support.

A police clerk, it was later disclosed, had inadvertently mistaken a code symbol, which appeared on the police blotter as 270 P.C., to represent "forgery" rather than "non-support."

The newspaper regrets the incorrect story and any erroneous conclusions drawn from it which would reflect adversely on Mr. Nash as an individual.

'Backyard Baby Boa Bothers Us Neighbors'

Strange animals from far off countries have been the cause of many a police call over the years, Daly City's police files show. Among the strangest was a South American kinkajou found wandering down an east side street last year.

But now it's a boa constrictor!

The five-foot serpent, owned by Joseph D. Hennessey, 61 Grandview avenue, has been the cause of some concern among several of Hennessey's neighbors, 14 of whom have signed a statement, requesting the boa's removal.

According to Mrs. Evelyne McCoy, of 29 Grandview, the snake, kept in a glassed-in book case, frightened her two young children when they saw it at the Hennessey's last weekend, and caused them to have nightmares later. Mrs. McCoy said that neighbors in the area are "very nervous, and afraid the boa might get loose."

Hennessey stated he knew of no law that prohibited the keeping of boa constrictors, and that, besides, "the snake was harmless." An official of the Steinhardt Aquarium, San Francisco, however, commented that at its present age of 2½ years, it already had the strength to break a child's arm. He suggested that it be kept in a padlocked pen.

The serpent, Hennessey claims, lives on a diet of live rodents, and, according to the Steinhardt Aquarium, is now large enough to gulp down a guinea pig.

BOAT BLAZE ON HIGHWAY: 'TOTAL LOSS'

A gasoline fire, possibly ignited by a passing motorist's flicked cigarette, destroyed a 16-foot runabout on Alemany boulevard last Wednesday afternoon.

Ray A. Landi, a Pacifica resident, explained to Daly City Firemen that his boat, which he was hauling on a trailer behind a pickup truck, had just been refueled. Evidently, relates Landi, the fuel cap was not securely replaced, and in transit gasoline had escaped and splashed into the bottom of the hull. The craft suddenly burst into flames as Landi turned off Skyline-boulevard into Alemany.

A nearby fire alarm box enabled him to call the Fire Department, only a few blocks away.

Damage amounted to $2300, a total loss. Firemen suggested that a cigarette, thrown from the sidewalk or from another car might have started the blaze.

The light-sensitive leaves of the silk tree, "Albizzia jilbrissin," open at daybreak, close at night.

Burglars Smash Window, Steal Check Machine

Burglars smashed a window and removed an automatic "check writer" from the premises of Panos Motors, 6674 Mission street, late Wednesday. Owner Gus P. Panos, reporting the crime shortly before 2 a.m. Thursday morning, noted that an iron bolt, wrapped in cloth and lying near the window, was probably used to break the glass.

The check writer had stood only a few inches from the window and, police feel, the suspects never entered the building but removed the property by reaching through the two-foot-wide jagged hole in the glass.

At 2:15 a.m., South San Francisco police reported that they had apprehended four juveniles, suspected of a burglary in that city. One displayed a severely cut finger. No information was given that they might have been connected with the theft at Panos Motors. The past police records of each of them is currently being checked, however.

WIFE BEATING: HUBBY FINED $50, JAILED

A 24-year-old mother of three children stumbled into Daly City Police headquarters, bruised and bleeding, Saturday morning, and told officers she had just undergone a half-hour beating at the hands of her husband.

Mrs. Phyllis Ramsey, 227 Los Olivos, explained that the beating occurred shortly after she and her husband, William, arrived home after an evening of drinking at various taverns.

The young housewife, expecting her fourth child in May, said she was slapped, "rabbit-punched," and kicked in the stomach.

Three Daly City policemen and a police matron immediately went to the home and found Ramsey asleep on the couch.

Booked for assault, he pled guilty before Judge Charles Becker in municipal court, and was fined $50 and sentenced to five days in county jail.

The couple's children, Michael, 8, Yvonne, 3, and Vivian, 1, were placed in custody of their grandmother.

UNIDENTIFIED ILLNESS CLAIMS BABY'S LIFE

A 12-week-old infant child, the son of a San Jose couple, died here recently of an unidentified ailment. The baby, Duane L. Heyer, had been brought to Daly City the day before by his mother, Mrs. Barbara Heyer, to visit Mrs. Heyer's parents, Mr. and Mrs. Ellis J. Raine, of 15 W. Cavour street.

Mrs. Heyer reported that her son had been ill "for a short time" but seemed in satisfactory condition when she examined him the morning of his death. She had planned to return to San Jose when the child was well again.

The young mother explained that she and her husband, parents of a five-year-old daughter, had recently adopted young Duane.

PARK 'CODE'

(Continued from Page 1)

he is awaiting plans for the elementary school district on the installation of a sprinkler system at Westlake Park. The school district will pay for the sprinkler system while its installation and maintenance are the responsibility of the city.

A $700 cost estimate was given on the installation of a second, interior fence at Palisades park—a project that followed protests of nearby homeowners who complained that park youngsters were damaging their property. The new fence will be 13 feet high compared to the present six-foot outer fence.

Two budgeted projects which should be initiated soon, according to Vincent, are a $4000 retaining wall at Frankfort park, and $20,000 for basic development of Westmoor Park south of the high school.

In applications for use of facilities, the commission approved the once-a-week use of Westlake park clubhouse by Westlake Music Center for classes, at a nightly fee of $10, and waived the fees for the Sea Scouts' regional dance at War Memorial building on February 10, the Daly City Ministerial Association's forthcoming interdenominational meeting, and the annual Fire Department Widows and Orphans Ball in May.

Boy Injured When "Cannon" Explodes

A 16-year-old boy was injured at 7 p.m. Thursday evening when a home-made cannon he was experimenting with suddenly exploded.

The youth, Michael F. Gallagher, 16, of 85 Castlemont avenue, was driven to Junipero Serra Hospital where a hospital employee reported the incident to police. The nature or seriousness of the boy's injuries was not made known.

Michael had reportedly been experimenting with a home chemistry set, and had decided to undertake the "manufacture" of a fire-arm. Components of the weapon included a length of pipe and some gun powder.

A Daly City Police officer lightened the boy on laws relating to firearms and fireworks, and strongly advised him against any future "experiments."

Wrong-Lane Driver Arrested As Drunk

A 38-year-old San Francisco bar tender flunked cold a routine sobriety test administered him Sunday evening by a Daly City police officer, and was subsequently booked for drunk driving.

Officer James Bergstrom reports that while cruising along Brunswick street at 7:15 p.m. he suddenly spotted another vehicle coming at him from the opposite direction in the same lane. Bergstrom pulled toward the curb but the other car continued on, finally veering back over the white line at the last moment.

Bergstrom swung around and gave chase. The offending driver, apparently oblivious of being followed, rolled slowly along at an estimated 20 miles per hour, made a turn, narrowly missing two pedestrians, and continued through the next intersection without observing the "stop" sign. At this point, Bergstrom turned on his red light and siren but it was several moments, he observed, before he could make the other driver "wake up."

The driver, according to the police report, finally stopped, climbed out, and started shuffling unsteadily toward the police officer. Bergstrom, detecting a strong odor of alcohol, put him through the ordeal of walking a straight line, bending over, and attempting to fit his keys into the ignition. The ordeal proved to be too much.

The driver, identified as Walter A. Wanttie, 38, of San Francisco, was taken to Junipero Serra Hospital, where he refused a blood test because, he reasoned, "there was too much alcohol in his system from the day before." A doctor at the hospital diagnosed Wanttie as drunk and said his ability to drive was definately impaired.

Wired Glass Wind Screens At Vista Mar

The Jefferson Elementary School District Board of Trustees, at their meeting Monday night, approved the use of clear, wired glass for wind screens which are being constructed at Vista Grande Elementary School.

The School District had originally recommended the use of unwired glass, but high winds in the area have necessitated consideration of a stronger type of screen. Richard Foster, District superintendent, informed the Board that either obscure wired glass at a cost of $689, or clear wired glass at a cost of approximately $1600 may be used, and recommended the clear material which would allow a view of the school courtyard and surrounding panorama. The five Board members voted in accord with Foster's proposal.

Action Glass Company, South San Francisco, was subsequently appointed to do the work, at a total cost of $1404.

Youth Arrested By DC Police After Attack On Mother

A 21-year-old youth was charged Saturday with beating his mother and disturbing the peace.

Daly City police officers went to the home of Mrs. Anne Garibaldi, 39, the alleged victim, shortly after 10:30 p.m., and were informed by her daughter, Patricia, 17, and her husband, that her son, Louis Premici, 21, had threatened to kill her.

Mrs. Garibaldi explained that Louis had first tried to choke her, then approacher her husband, the boy's step-father, with a hot iron. No reason was given for the young man actions, but Mrs. Garibaldi asked specifically that he be arrested.

The officers found young Premici hiding behind a couch in the living room. En route to the station, police report, he attempted to break away, and had to be handcuffed.

SCHOOL BONDS

(Continued from Page 1)

struction. This total was $4,317,369.

Along with the above figure, the high school district allocated additional local bonds and state funds in the amount of $218,350 for the Terra Nova site, $2,287,648 for the construction of Oceana High (due to open late in 1962), $2,271,939 for the construction of Terra Nova High (due to open this September), and has earmarked $1,755,000 for the reconstruction of Jefferson High, and $800,000 for new classrooms at presently double-sessioned Westmoor High.

Going back to the total local bonds and state funds since 1951, the high school district has only $2,149,695 of the $13,800,000 left. But its "immediate" needs must be taken care of "now" in projecting expected enrollment up to 1967.

Based on enrollment surveys, these building needs include: a second increment to Jefferson, adding room for 500 more students (total then 2000), at a cost of $1 million; second increment to Oceana High in Sharp Park, making room for 600 more students (total then 1968), at a cost of $1.2 million; second increment to Terra Nova High in Linda Mar, adding 788 students (total then 1728), at a cost of $1.5 million.

District student population by 1967 should be 9125—and even with these second increments and the Jeff High renovation, 1739 students will be unhoused by that year unless plans for a fifth high school are finalized by 1965.

These are the basic reasons the high school district is seeking approval on $4 million in local bonds and a $1.5 million state loan on February 7.

Next—the elementary district's outlook:

Following successful passage of a $7 million loan and $1.3 million in local bonds in March of 1958, Jefferson Elementary District, adding $3.7 million from earlier local bonds and state aid, expedited the following projects:

Construction of Ben Franklin School, $790,171; construction of Vista Grande School, $299,749; construction of Vista Mar School, $633,533; purchase of George Washington School site; $546,000; construction of George Washington, $427,173; purchase of Fernando Rivera Schol site, $204,200; construction of Fernando Rivera, $519,708; two classroom additions to Jefferson Elementary School (including land), $203,440; seven classroom additions and construction of room for mentally retarded at Ben Franklin, $422,221; purchase of M. Pauline Brown School site, $140,135; construction of M. Pauline Brown, $689,333; purchase of Abraham Lincoln School site, $261,341; construction of Lincoln, $512,451; additions of seven classrooms to Lincoln, $187,164; Thomas Edison School site, $261,341; Thomas Edison construction, $511,550; additions to Edison (seven classrooms), $188,813.

Daniel Webster site, $307,100; Daniel Webster construction, $512,076; additions to Webster (seven classrooms), $186,880; Christopher Columbus site, $319,500; Christopher Columbus construction, $830,998; three classroom additions to Olympia school, $158,827; new General Pershing School, $299,369; new district education center, $316,714; Benjamin Franklin additions, $332,597; proposed new 7th and eighth grade school (building and site), $1,152,000; proposed school in Westlake Unit II, site alone $475,000; and school site in Crocker hills area, $300,000.

With all these projects completed, the district's remaining funds total $415.67.

Jefferson Elementary School District seeks "yes" votes on February 7 for $2.8 million in local bonds and a $7 million state loan to be used as follows by 1965 when enrollment (today 8100) will reach 10,800:

For the construction of Franklin D. Roosevelt School in Westlake Unit II (Terrace), $900,000; construction of new school in Crocker hills area, $600,000; additions to M. Pauline Brown School, $250,000; additions to Vista Mar School, $250,000; additions to proposed new 7th and 8th grade school, $900,000; additions to Colma Intermediate School, $400,000; and one new school per year for five years, total for these five school estimated at $6,500,000.

THIEF TAKES 2 "PIGGY BANKS," LEAVES JEWELRY

A Westlake resident has reported the theft Friday of $100, taken from two beer can "piggy banks."

Joseph N. Colonbana, 32, of 229 Avalon drive, told police that the money, all in coin, had been taken from his home sometime between 5:30 and 9 p.m. The burglar had used a ¼-inch prying bar, it was later learned, to force open a bedroom window.

Colonbana noted that some jewelry, left in the bedroom, had not been touched.

'A Dime From Every Home' Basic Goal Of Mothers' 'Polio March'

"If we can get at least one dime from every home, we'll consider our drive successful."

This is the objective of Mrs. Pearl Bloom, St. Francis Heights' housewife who's chairman of the "New March of Dimes" drive for Daly City-Colma.

The moms will go door-to-door throughout the area on Tuesday, January 31, from 7 to 8 p.m. for contributions "of any amount."

Mrs. Bloom, 27 Midvale, today announced: "All but a couple of neighborhood chairmen have been selected."

"Anyone else who wishes to assist us in the appeal January 31 should call me or the various neighborhood leaders as soon as possible," she urged.

The following mesdames are neighborhood chairmen:

F. Fisher, 167 Winchester street, DE 3-0591; A. Sam, 906 Hanover street, JU 4-0346; F. Moss, 80 Woodrow street, PL 5-5675; J. Guastavino, 180 West Moltke, PL 5-0060; U. Bovero, 552 C street, PL 5-5109; A. Brown, 92 Eaton avenue, PL 6-5423; K. Kimball, 34 San Miguel, PL 6-1398; R. Fitzpatrick, 21 Midvale, PL 5-5062; P. Brown, 137 Mirada, PL 5-5517.

S. Eliachar, 15 Rockford, PL 6-0526; A. Marquez, 677 Orange, PL 6-2418; J. Coughlin, 150 Valley, PL 5-5245; C. Reade, 43 Castlemont, PL 5-2035; A. Boch, 17 Fleetwood, PL 5-5937; R. Dwyer, 73 Dorchester, PL 5-2032; E. Laughridge, 1756 Louvaine, PL 6-1253; J. Taylor, 1019 Nimitz, PL 5-0490; G. Ford, 75 Avalon drive, PL 5-3956; and R. Pardini, 49 Oaklawn, PL 5-8965.

Mrs. Mendel Plansky, 85 West Moltke street, is assisting Mrs. Bloom in coordinating arrangements.

Don't Wait Until Last Minute On Vehicle Renewals!

Painless renewal of vehicle registrations for 1961 in uncrowded quarters free of waiting lines and competing applicants is available now at offices and temporary stations of the Department of Motor Vehicles throughout the state.

The favorable space conditions will last until sometime in the final week of January, department officials predict, on the basis of prior years' experience and symptoms of the present season.

"Actually the motoring public has kept up well with the standard registration application rates of the past few years, in the first two weeks of the 1961 operation," Robert McCarthy, Director of Motor Vehicles commented in Sacramento today. "But the pattern of some crowding and overloading of the department's facilities toward the end of the statutory renewal period is plainly in view if people wait till near the deadline days as in some past years."

The director suggested that persons who have non-resident or other special registration problems for 1961 would gain time and enjoy more individual attention by visiting a regular DMV office before the final rush begins.

Deadline for the registration renewal is midnight on Saturday, February 4. After that date, penalties established in the Vehicle Code steeply increase the fees required by law.

DMV offices are open Saturday mornings through February 4 to accommodate registration applicants. The one serving the greater Daly City area is at 199 Southgate avenue in Westlake.

Rotarians In Final Appeal For 'Donors'

Members of the Rotary Club of Daly City this Wednesday noon sounded their last-ditch appeal for blood donors for the Peninsula Bloodmobile's visit to Westlake School, this Friday from 3 to 7 p.m.

The Rotarians are sponsoring the blood donation project and Bob Lehman is in charge. Persons wishing to donate can sign-up by calling Lehman, PL 5-1141, or the high school district office, PL 5-1162.

Program chairman for this week's Rotary meeting was attorney Warren Gabrielli. The finemaster was Dr. Vinton Stratton. Last week the Rotarians heard guest speaker Jack DeCelle outline the function of advertising agencies.

Dr. Louis Minkin, president of the club, today announced that member Jack A. Hurt has been appointed chief deputy in the San Mateo County Office of the Boy Scouts of America. Hurt formerly was affiliated with the San Francisco Scouting District.

Minkin also noted that the club's "Occupational Information Committee," headed by Walter McRae, is moving along with its plan whereby local high school principals and counselors will be notified of the names and addresses of Rotarians who welcome students to visit their business establishments to learn about the professions.

First DC New Years Baby Is Two Of 'Em

Last week's announcement of Daly City's "first New Year's baby" has produced a number of phone calls from parents of new arrivals—each claiming to have nosed out John and Ruth Snoland, whose son Scott Douglas was born at 6:23 a.m. January 1.

After carefully reviewing each claim, it appears now that top honors should go to Mr. and Mrs. Charles Hess of 225 Los Olivos avenue. Shortly after 2 a.m. they became the parents of twin girls, Merry Kay and Sherry Fay.

The Hesses, residents of Daly City for three years, have four other children, three boys, aged 13, 8 and 5 respectively, and a girl, 3.

Hess is the owner and operator of a San Francisco Richfield service station.

TV and Radio

By MONA BAKER

Approximately 25,000 women attended ABC's "Queen for a Day" telecast when the popular network program originated in San Francisco last week. Five Bay Area queens were crowned which increases the grand total to over 4000 queens during the program's 16 years on the air. Genial host Jack Bailey has interviewed more than 20,000 candidates.

Certainly in this day of "on again, off again" television programs such a record is outstanding. Just what are the ingredients that keep the show a popular favorite year after year? The entire show is a slick production, and watching Jack Bailey in action he proved to be a clever and able MC, with such off-the-cuff quips as "a lady knows what she means, but sometimes no one else does." Part of the daydreams of every little girl is to be a princess. Striking a responsive note in women the program brings these daydreams to reality to some "grownup girl" when she becomes a queen. Or even if she isn't selected, she enjoys sharing the excitement and thrill with another woman as was originally demonstrated by the women attending the telecast with enthusiastic and genuine applause for the candidates.

Since the San Francisco programs were video-taped they are being telecast this week over KGO-TV at 3 p.m.

It is a proud milestone, too, this week that KNBC observed with last Sunday's broadcast of the "San Francisco Story" which has been heard continuously over KNBC since 1941 at 10:05 a.m. every Sunday. Written by Samuel Dickson, "San Francisco Story" has been narrated by Budd Meyde, who has been the only announcer on the show, and in fact, did the original audition of the program.

Congratulations to an outstanding radio show on its 20th anniversary!

Blood Donations This Friday At Westlake School

Mobile unit of the Peninsula Memorial Blood Bank will be in Daly City this Friday, January 20, from 3 p.m. to 7 p.m. at Westlake school, Fieldcrest and Lake Vista. The visit is sponsored by the Daly City Rotary club with R. C. Lehman in charge. All organizations or individuals are invited to participate. Donors are reminded not to eat for at least four hours prior to the donations.

Britschgi Seeks Law To Abolish 'Unfair' Personal Property Tax

Assemblyman Carl A. Britschgi, (R-Redwood City) today introduced legislation which would give a tax reduction to practically everyone in the state of California.

The legislation is aimed at the tax which is presently applied to the householders in the form of a personal property tax.

"This tax," Britschgi claimed," is the most inequitable, unfair, unjust and unreasonable plan in California's entire tax program. It is impossible to determine the true value of householders' personal property. One county makes one type of guess at evaluation, while other county assessors just add a figure for local revenue purposes and apply it accordingly.

"The householders' personal property tax should be abolished in California. It is an admitted failure. With the raising of the total exemptions from $100 to $2000 the personal property tax for all purposes will be totally eliminated within our state.

"This would accomplish several things," Britschgi said. "First, it would relieve the average taxpayer from making a liar out of himself in relation to his worldly possessions. Secondly, it would release many employees in the tax office for duties in other fields and thereby see that each individual is paying his fair share."

"As an example of the unfairness of this particular tax," Britschgi stated, "ten years ago in San Mateo County only 20 percent of the homeowners paid a personal property tax and now, ten years later, about 90 percent are paying personal property tax."

Britschgi continued. "My only concern in this field is what about those who did then and are now geting a free ride in not paying this particular tax. The formula used now by several assessors is an arbitrary figure of 10 percent of the assessed valuation as a tax base, while other assessors have increased this percentage figure many times. I personally believe that if a tax is good for one it certainly is good for all and I personally believe the increase in this tax exemption will be effective for practically everyone in the State of California and not just the chosen few."

The bill has been referred to the Committee on Revenue and Taxation.

LAKE MERCED Optimists Club, presented with the opportunity to participate in "Boysville," will send several underprivileged boys to the 94-acre La Honda camp this summer. Discussing the local club's participation (left to right) are: Dr. Raymond W. Nichols of Westlake, director of the Lake Merced unit; Dr. Leslie O. Myers and Edwin E. Mackey, first vice president, both of "Boysville," a project sponsored by all the Optimists clubs of the greater Bay Area.

Urban Renewal May Slow Trend To The Suburbs

Increased interest and activity in urban renewal projects may slow the postwar trend to the suburbs, a University of California analyst believes.

"Well planned urban redevelopments, making judicious use of open space, are beginning to provide sharp competition for the suburbs and may soon give cities a potential competitive advantage over them," declared George Duggar, Public Administration Analyst with the Bureau of Public Administration on the Berkeley campus.

Writing in the January-February issue of "Public Affairs Report," published by the Bureau, Duggar noted that, despite the strong pull of the suburbs, central cities are maintaining their positions, and their property values, as the financial, legal, enginering, and commercial hubs of metropolitan areas.

Because the suburbs are now so widely spread over such vast distances, the central cities have gained a new importance as "the places to meet."

As more people have moved to suburbia, land there has become increasingly scarce and subdividers, aided by bulldozers, have combined to make fuller use of the available property, he noted. "Many suburbs are discovering problems of trying to find room for a school or a church."

In the past decade, $1.7 billion in federal funds have been committed to urban renewal and more than 800 projects have been approved in 450 cities. But this is "small" compared with public and private investment of about $100 billion annually, he pointed out.

Duggar believes that most urban renewal organizations will have to be "streamlined" before urban redevelopment projects can be speeded.

DC Waitress Named 'Queen Of Industry'

Helen "Dodo" Olson, a Daly City waitress, was crowned San Mateo County's "Queen of Industry" Saturday night in the climax of the American Legion's Peninsula-wide contest.

All proceeds from tickets to the Coronation Ball go to the Legion 40 and 8 Society's treasury for student nurse scholarships and child welfare projects within the county.

Miss Olson, a resident of South San Francisco, was awarded a trophy, a $100 savings bond, and an expenses paid trip for two to Hawaii—where she was born.

The runners-up were Judy Adame of Belmont, Virginia Walters of Burlingame, and Mary Schroeder of Burlingame.

Theodore P. Dal Don, commander of the 40 and 8 unit, today said response for the queen contest "was exceptional."

There were over two dozen candidates for the honor. All of the young women are "working girls," and were judged on personality, friendliness, industriousness, and popularity.

Miss Olson, incidentally, sold the most tickets to the fund-raising project.

Four reigning monarchs have addressed the Commonwealth Club of California at San Francisco—Queen Juliana of the Netherlands, King Paul and Queen Frederika of the Hellenes and Emperor Haile Selassie of Ethiopia.

'Friends Of Library' Get Good Results In Membership Drive

On January 12, the monthly board meeting of Daly City Friends of the Library was held for the first time in the new library in Westlake.

Following the treasurer's report by Mrs. Frank Kelechava which reflected a satisfactory gain in membership as a result of the recent membership drive, final details involving the general meeting were taken care of and the board moved on to discussing such future events as the Thursday Matinee Book Reviews. Chairman Mrs. U. R. Kendree expressed satisfaction in plans through April's Review and expressed the hope that this could be tied in with the Civil War Centennial. Upon being asked, Mrs. Julian Cohn said that possibly her husband could review some books appropriate to the occasion.

Mrs. Thomas E. Brewer, president, set the next board meeting for Thursday evening, March 9, and upon termination of formal discussions, refreshments were served by Mrs. Howard Stites and Mrs. Tibby Torres. Also present were Mrs. Samuel Stein, corresponding secretary, and Dr. Lionel Farber, chairman of the city library commission.

DC's Contribution To Capuchino Band 'More Than $600'

Capuchino High School's 117-member marching band winged off to Washington DC yesterday—thanks to a Bay Area-wide fund drive that had mustered $42,398.45 as this was written.

According to Thomas Noonan, elementary school trustee and president of St. Francis Heights Improvement Association, Daly City residents donated "more than $500" to the Capuchino project.

"The response here was good and we thank all who contributed," said Noonan.

The $500 raised here via placement of tin can containers in stores and business establishments was in addition to $100 donated by the city of Daly City.

The Capuchino musicians, from San Bruno, will be seen on television this Friday in the inauguration parade.

REAR AXLE CARE EASY

Rear axles, with their bearings and gears, are fairly complicated mechanisms, according to the National Automobile Club.

The car owner is fortunate that such axles give little trouble. And they will not, provided he does his simple part, which consists merely of seeing that the right kind of lubricant is applied at the right time. It is the only way to avoid expensive repairs.

DALY CITY, TOO

30 Per Cent More Businesses In San Mateo County Since '55

San Mateo County listed 30.8% more businesses in 1960 than in 1955, according to a report released today by Dun & Bradstreet.

Redwood City realized a 28.9% increase, San Mateo a 25.9% gain, South San Francisco a 37.1% Menlo Park a 35.3% gain, San Carlos 27.0%, San Bruno 32.3%, Millbrae 33.0%, Daly City 30.8%, Burlingame 17.7%, Belmont a 54.3% increase, Colma a 20.2% gain, and Atherton a 53.3% increase in the number of businesses for the same period.

"There were 5688 businesses listed this past year in San Mateo County which is an increase of 1339 businesses over 1955," said R. F. Cathcart, district manager for the San Francisco office of Dun & Bradstreet.

Basing his facts upon the figures in the current November 1960 Reference Book, Cathcart points out that the 47 counties of Northern California as a whole showed an increase of 12.8% for this five-year period, and the 9 Bay Area Counties listed 10.3% more businesses than in 1955.

San Mateo County's Rapid Transit Aides Named To Committees

Important committee posts have been assigned to San Mateo County's three representatives on the board of directors of the Bay Area Rapid Transit District.

The committee assignments were announced today by Adrien J. Falk, president of the five-county district.

Named to the Rules and Policies Committee was Attorney Thomas F. Casey Jr. of San Mateo.

Joseph G. Hunter of Burlingame was appointed to serve on the district's Plans Development and Engineering Committee, and A. J. Bertini, 26 West Cavour street, Daly City, was named a member of the Liaison and Public Information Committee.

In addition, Bertini, Casey and Hunter all were named to serve on a special committee assigned to deal with transit matters relating to Santa Clara County.

Eagles Aerie 1848 To Honor Seven On "Old Timers Night"

The Daly City-Colma Eagles Aerie 1848 have appointed Otto Schramm, present Aerie treasurer, to serve as chairman for the Eagles' annual "Old Timers Night," taking place at the Aerie Hall on Thursday, February 2.

Schramm, with the help of the other officers, has planned a program honoring the seven remaining charter members of the Aerie, headed by William J. Sweeney, Sr., longest-termed member. Other charter members and L. Shaw, J. Poket, H. Shapiro, A. Lowans, E. Rodgers and J. Rehaume. These men have each been with the local Eagles for 52 years.

President Cofield promises a free dinner starting at 7 p.m., which will be followed by a short meeting at which time service pins will be presented to qualified members of the Order claiming 20, 40 or 50 years of continued affiliation. The initiation of candidates will also be held.

Cofield has stated that the event is sure to produce some new memberships, and urges all men aged 18 and over desiring to be an Eagle to contact Dell Fehl, secretary, at PL 5-0504.

AROUND TOWN

By ROY HURLBERT

THE men at Daly City's Central Fire Station, on Lake Merced boulevard, have been "blacked out."

Their trusty television set, a veteran piece of equipment that has survived several years of Westerns, went kerplunk just recently. According to one hoseman, the set "upped and died . . . the wiring gave out . . . and it's too costly to fix."

The set was purchased many moons ago with funds donated by a San Francisco newspaper (to the Daly City station for its exceptional Christmas lights display) and $45 from Westlake Improvement Association.

The other two DC fire stations are well equipped—TV-wise. But Central Station regulars will have to do without unless someone comes to the rescue.

Why do firemen watch TV, you say? Well, after their daily chores are finished, they do have spare time for sitting and watching during the evening hours. It doesn't detract from their duties one bit. And it's good for morale.

IF you're interested in statistics, County Clerk John Bruning reports that last year there were 2332 divorce and annulment cases compared to 2006 marriage licenses.

This isn't as bad as it sounds. Two years ago there were twice as many divorces as marriages in the county.

Last year, the total proceedings processed through Bruning's office amounted to 7702—a record high. These included 5328 civil, criminal and mental matters, 1468 probate proceedings, and 906 juvenile cases.

RAMONA Birke, tireless coordinator for Daly City's 50th anniversary celebration, reports that the U.S. Post Office has agreed to authorize a "Daly City—A Century of Progress In Half The Time" cancellation mark for letters, beginning in mid-May.

DC Muni Bandmaster George Brenner says the music committee soon will send letters inviting the following bands to march in the celebration parade—12th Naval District, 6th Army, Hamilton Air Force Base, Capuchino, Westmoor and Jeff high schools, the SF Boys Club Band, and the St. Mary's Chinese Drum and Bugle Corps.

The parade route, according to chairman Micheal DeBernardi, will begin at Crocker and Mission, down Mission to Knowles, Knowles to Junipero Serra, down Alemany to Lake Merced boulevard, then to Westmoor, Southgate, and ending on Park Plaza drive in Westlake Shopping Center.

Fire Chief Kennedy (who else but Elmer?) is arranging for supervised fireworks. He estimates their cost from $1000 to $1500.

A street dance, arranged by Hillside Improvement Club, will either be on Mission or Hillcrest drive.

These are just samples of the many, many projects being mapped by some 30 citizens on the central planning committee.

Radio and TV media are being sounded out to give Daly City plenty of Bay-Area-wide publicity.

With almost 45,000 residents, Daly City no longer should tolerate being classified as one of San Francisco's "outer neighborhoods."

FRED Schweickhardt, principal of George Washington Elementary School, last week observed that the recent addition of the handsome facility to the east-side area gave nearby homeowners "quite a lift."

PTA attendance is much better, and Schweickhardt notes that many of the property owners have painted their homes since the school was erected. The school may have done much to raise property values in the area.

MIGHT note how the inauguration parade, this Friday in Washington D.C., put Capuchino High School "on the map"—locally.

Sorry to report that many north county residents "never heard of Capuchino High of San Bruno until that school's band was delegated to represent the entire state at the festivities honoring the man from Massachusetts, John F. Kennedy.

The Cap bandsmen needed $40,000 to pay for trip expenses. They received $2000 more than that goal. This is a tribute to Peninsula pride—a splendid effort for a fine cause.

NATION'S new Congress, in case you haven't probed the fine print, includes a House of Representatives with 257 Democrats, 176 Republicans, and 4 "in doubt."

The Senate roll call is 64 Democrats and 36 Republicans.

And there's not a single prohibitionist or communist in the bunch.

FACT or fiction: Will the natives of the East Bay's Castro Valley vote to change the name of that burg because Fidel is causing so much commotion?

How about "Eisenhower Gap" as a substitute?

SUGGESTED as potential parade marshals for Daly City's October celebration are Shirley Temple, Matt (Gunsmoke) Dillion, Don Sherwood, Admiral Chester Nimitz, Governor Pat Brown, and Palladin.

Any other nominations?

PIN PRESENTATION AT GIRL SCOUTS' POT LUCK DINNER

"Honor the Past—Serve the Future," theme for the National Girl Scouts' Birthday Years celebrations, was used at the annual Girl Scout potluck dinner held at the Woodrow Wilson School last Wednesday evening.

Girl Scouts' golden anniversary flower, the yellow rose, (made of kleenex) adorned the dinner tables. Corsakes made with daisies on a green background of the Girl Scout insignia, were given to all leaders and registered other members. Mrs. Eve Liberato and Mrs. Mil Kraus, were the talented leaders who fashioned the decorations.

Mrs. Hilda Heagney, longtime Girl Scout leader in the Daly City-Colma district, was chairman. Mrs. Heagney, was again voted as neighborhood chairman for the Parkview section. Mrs. Eve Liberato is the retiring chairman.

Presentation of pins were made to three members: Mrs. Ann Ingersoll received a 20-year pin; Mrs. Mildred Eschler and Mrs. Janet Gilmore, the 5-year pins; for their work as Girl Scout leaders in this district. Mrs. Frances Windhurst recently received her 20-year pin from the Council.

Mrs. Stella Jensen, another long-time member of the Girl Scouts, made a reading to the group from a book which was later presented to Mrs. Liberato, retiring neighborhood chairman.

Demos Will Fete Inauguration At Burlingame Dance

San Mateo County Democrats will celebrate the inauguration of President John F. Kennedy on the night of January 20 with an inaugural ball in Burlingame.

Some 200 persons are expected to attend the dinner-dance at the American Legion all on Burlingame avenue.

TWO SCHOOLS SELECT BOND DRIVE LEADERS

Plan Historic 'Carnation Ball'

Phi Mu Alumnae and collegiates in the Bay Area will join together on March 11 to celebrate the sorority's 109th birthday with a "Carnation Ball."

University Phi Mu Club is sponsoring the dance, proceeds from which will go toward the furnishing fund for the new Phi Mu House on the University of Caifornia campus, Berkeley. Miss Maridale Calhoon and Mrs. Jack Arthur Campbell are co-chairmen for the evening.

TERRA NOVA AND WESTMOOR PLAN "SING NIGHT"

Westmoor - Terra Nova High School PTA units will feature the combined student chorus groups in "A Night for Singing" at the January 19 (Thursday) night meeting at Westmoor High School in the Little Theater, according to program Mrs. B. W. Pulsifer. The meeting will start at 8 p.m.

A short business session will be conducted by Palmiro Nolli, unit president, with the balance of the program devoted to the popular student singers. Last year the PTA sing night drew a SRO house of interested parents and freinds.

Tom Graul, Westmoor High senior, will be the master of ceremonies for the program. The combined chorus will sing "Gossip, Gossip," "Oklahoma," "The Thing" and "Little Drummer Boy." The girls' glee club will sing a special number entitled "Silver Bells." High school staff members directing the singing program are Howard Loeffler, William Ardis and William Whalen.

Life membership selection committee was named at the unit executive board meeting as follows: Mesdames Gene Sebastiani, Mr. Pulsifer, Edward Perry, Everett Heick and Mr. Roy Johnson.

Mrs. Perry, membership chairman, reported that the unit has 715 members and needs 35 more to complete the quota for a total of 750 members. Membership applications will be available at the January 19 meeting. Dues are $1 per year with double membership, husband and wife, at $1.50.

The final report covering the PTA annual holiday dinner showed a net of $853.64. Funds raised from the holiday event have been budgeted for scholarships for students from Westmoor and Terra Nova High schools.

Nolli issued a statement extending a sincere thank you, on behalf of the PTA units, to the contributors for the generous donations and to all the parents and friends that helped make the affair a wonderful success.

Refreshments will be served at the conclusion of the PTA program and attendees are invited by Mrs. Bruce Norton, hospitality chairman, to partake of the PTA hospitality and visit with the instructors in the school cafeteria.

Founder's Day Plans Outlined By Jeff Hi PTA

A potluck dinner "fit for a queen" was enjoyed by 18 members of the Jefferson High School PTA's executive board last Thursday evening in the school cafeteria.

A short meeting with Mrs. Joseph Kusber presiding, followed the dinner and there was discussion on the Founder's Day program which will be held February 9. Mrs. D. T. Lewin is chairman for the Founder's Day program. Each year this time is set aside for reunion of old friends and to honor the founding day of the Jefferson High School PTA. This year's celebrations will mark the unit's 36th anniversary.

The annual spaghetti dinner, to be held February 16, was the other item under discussion. Tickets are now on sale and may be purchased from the Jefferson High School office or from PTA members. Mrs. Marian Plansky is ticket chairman.

This popular dinner is attended by hundreds each year. The money is used partly for the student welfare fund. Monetary assistance is given to students who are unable to purchase glasses, books, gym clothes, and other supplies.

A bazaar table at the spaghetti dinner will have various items for sale, and members who wish to contribute aprons, pot holders, towels, etc., may do so.

Evening Of Cards

CONSOLIDATED SCHOOL BOND ELECTION AND APPORTIONMENT AUTHORIZATION ELECTION NOTICE

Notice is hereby given to the qualified electors of JEFFERSON School District of the County of San Mateo, State of California, that in accordance with law, a bond election and an apportionment authorization election will be held on TUESDAY, the 7th day of FEBRUARY, 1961, in said District, between the hours of 7:00 o'clock A.M. and 7:00 o'clock P.M., during which period and between which hours the polls shall remain open, at which election there will be submitted, as Proposition No. 1, the question of issuing and selling bonds of said District to the amount of TWO MILLION EIGHT HUNDRED THOUSAND Dollars, for the purpose of raising money for the following purposes:

(a) The purchasing of school lots.
(b) The building or purchasing of school buildings.
(c) The making of alterations or additions to the school building or buildings other than such as may be necessary for current maintenance, operation, or repairs.
(d) The repairing, restoring or rebuilding of any school building damaged, injured, or destroyed by fire or other public calamity.
(e) The supplying of school buildings and grounds with furniture, equipment or necessary apparatus of a permanent nature.
(f) The permanent improvement of the school grounds.
(g) The carrying out of the projects or purposes authorized in Section 15811 of the Education Code, to-wit, the providing of sewers and drains adequate to treat and/or dispose of sewage and drainage on or away from each school property.

All of the foregoing purposes enumerated herein are hereby united and shall be voted upon as one single proposition.

At said election there will also be submitted, as Proposition No. 2, the question of whether this Board shall be authorized to accept, expend and repay an apportionment in an amount not to exceed $7,000,000.00 from the State of California under and subject to the provisions of Chapter 10 of Division 14 of the Education Code of the State of California.

Said bonds proposed to be issued and sold shall bear interest at a rate of not exceeding five per cent per annum, payable annually for the first year the bonds have to run, and semi-annually thereafter.

The number of years the whole or any part of the bonds are to run shall not exceed 25 years from the date of the bonds or the date of any series thereof.

The bond election hereby called has been and the same is hereby consolidated with the apportionment authorization election hereby called within the territory affected by said consolidation, to wit, said School District; and the election precincts, polling places and voting booths shall be the same and only one form of ballot shall be used thereat which shall be in the form provided by the Governing Board of said District for use at said consolidated bond election and apportionment authorization election, on which shall be set forth the propositions hereby submitted to the qualified electors of said District. The election officers shall be the same for each election and said elections shall be held in all respects as if there were only one election.

For the purpose of holding said election, the District shall be and it is hereby divided into 18 Election Precincts, numbered from 1 to 18 consecutively, as hereinafter described; and the persons hereinafter named being competent and qualified electors of said District, and of their respective Election Precincts are hereby appointed officers of election, as hereinafter designated, to serve in their respective Election Precincts, as hereinafter set forth; and said Officers of Election shall conduct said election and make returns thereof pursuant to law.

Movie Projector Stolen From Man's Unlocked Apartment

Burglars entered an unlocked first floor apartment last Wednesday and escaped wtih an imported movie projector and screen worth $300.

Robert J. Furtado, 33, of 1124 Hanover street, owner of the stolen property, discovered the theft at 6 p.m. upon returning home from work.
home from work. When he arrived home, Furtado reports, he found his door ajar.

The thieves had disconnected a transmitter and receiving set, possibly with the intention of stealing it too.

DR. ALAN WATTS

'Unconventional Philosopher' Sets Lecture In Pacifica On 'Individuals And Society In Asia And The West'

Alan Watts, internationally known author and lecturer, will speak on the topic, "The Individual and Society in Asia and the West," this Sunday at 8 p.m. in the city hall of Pacifica.

His appearance is sponsored by the Pacifica Unitarian Fellowship. Admission is free, but donations will be accepted.

During the past 25 years, Watts has been known as "one of the most stimulating and unconventional philosophers of our time," according to a Fellowship spokesman. In particular, he is an authority on Zen Buddhism.

He was born in England in 1915 and educated at King's School in Canterbury. He came to the United States in 1938 and has lived for many years near San Francisco. In the course of his career he has been an editor, Episopalian minister, and a college professor. He was dean of the American Academy of Asian Studies in San Francisco until 1957, when he resigned to devote himself to independent writing, research and lecturing.

A prolific writer, Watts wrote his first book, "The Spirit of Zen," at the age of 20, while he was active in London in the organization of the World Congress of Faiths. Since then he has written more than a dozen books on comparative philosophy and religion, including "Nature, Man and Woman," "The Wisdom of Insecurity," and "The Way of Zen." **His newest book, of essays, "This Is It," has just been published.** In describing Watts' "Nature, Man and Woman," Aldous Huxley has said, "The theme is profoundly important, and the treatment accorded to it in this learned and yet lively and subtle book is worthy of the theme."

Dr. Watts has been increasingly recognized as a most effective speaker and teacher on the lecture platform, in the classroom, and on radio and television. He has been guest lecturer at universities as widely scattered as Cambridge, Harvard and Hawaii, and was for some time a religious counselor at Northwestern. His interests in the relations of Eastern thought to psychotherapy have brought him invitations to speak before the American Psychiatric Association, the C. G. Jung Institute in Zurich, the Washington School of Psychiatry, and the medical staffs of several West Coast hospitals.

Job's Daughters Bethel Officers To Be Installed

The Bethel 198 Mothers' Club officers for 1961 will be installed by Mrs. Stella Jensen at a dinner meeting Thursday, January 26, at 7 p.m. in Val's Redwood Room, 89th and Junipero Serra boulevard, Daly City.

To be installed are: president, Gracia Krueger; vice president, Hilda Dennis; secretary, Ruth Huelse, and treasurer, Ann Petri.

President-elect Krueger has named Mrs. Stella Jensen as parlimentarian and also the following committee: publicity, Mildred Ford; sunshine, Ellen Yates, and membership, Hilda Dennis.

The first project will be a whist in the reception room of the Spreckels - Russell Dairy. The date will be announced later.

Chairman of arrangements for the installation dinner is Mrs. Leta Dennis, who will be assisted by the retiring president, Mrs. Jensen, and Mrs. Krueger. They welcome members to attend.

Mrs. Jensen plans a trip to Chicago, during the latter part of March, in the interest of Job's Daughters as a member of the finance committee of the Supreme Guardian Council, International Order of Job's Daughters. Also, while in Chicago, she expects to visit with her grand-daughter, Mrs. Philip Reeve, formally Barbara Jensen of Colma.

Foster Explains Bond Situation At Edison PTA Meeting

Jefferson Elementary and High School Districts are the fastest growing in San Mateo County and have half the school enrollment in the county. This and other facts on the problems of continual school construction facing residents of this area were clearly presented by Richard Foster, Superintendent of Jefferson Elementary School District before the Thomas Edison PTA meeting Thursday, January 12. In 1960, 81 classrooms were completed in this district and by the end of 1961, 41 classrooms will have been completed, but, in order to keep up with the continual growth in school enrollment, it will be necessary to build one additional school each year for the next five years.

Although four high schools will be in use by 1962, in order to properly house all high school students a fifth one will be necessary before 1965. To facilitate this necessary school construction it is important, Foster pointed out, that the voters pass the school bond election on February 7, otherwise school construction will stop by July and double sessions are predicted within two or three years.

Following the business meeting, conducted by Mrs. Joseph Brandi, PTA president, the children in the second grades of Mrs. Nyhan and Miss Sliver presented an excellent science program on "Weather: How It Affects Us and What Causes It." "How Weather Affects Us" was described in verse and skits, and "What Causes It" was demonstrated and explained with experiments and weather instruments and pictured with a mural and charts.

William Jonas, sixth grade teacher, announced that the Traffic Safety Patrol boys and girls from the fifth and sixth grades would begin their patrol work on Monday, January 16.

Mrs. Larry Greene of the St. Francis Heights Improvement Association discussed the problems which may arise if the proposed east-west lateral freeway is constructed between the Christopher Columbus School and the northern part of the subdivision.

Thomas Edison PTA will celebrate its first birthday at the Founder's Day meeting on February 9 by presentation of honorary life memberships and with an interesting program being prepared by Mrs. Robert Woodworth, vice-president of the PTA.

Delicious refreshments were served at the close of the meeting by third grade mothers.

B'NAI ISRAEL SABBATH EVE SERVICES TOLD

Congregation B'nai Israel will hold Sabbath Eve services this Friday, January 20, at the Temple, 67 Los Banos avenue, Daly City. Services begin at 8:15 p.m. and are conducted by Rabbi Solomon A. Shore. Shore's sermon topic will be "Eisenhower in the Eyes of American Jews," in which he will give an appraisal of the President's relations with the Jewish people during his eight years in office.

Chairman of the Religious School, Paul Lichtman, reminds prospective members that registrations for Sunday and Hebrew School will be accepted on Sunday morning from 10 to noon. Membership in the congregation includes the Religious School, Sabbath services, High Holy Day seats, and other services offered by a Conservative congregation.

Friends and relatives of the late Mrs. Leah Lurie are invited to attend the monument unveiling Hon Sunday, January 22, at 2 p.m. at the Eternal Home of Peace Cemetery. Rabbi Shore will officiate.

Gordon Lee Sanoff, son of Mr. and Mrs. Abe Sanoff, will be Bar Mitzvah this Saturday morning, January 21, at 10 a.m. at Congregation B'nai Israel. A reception will be held following the services.

Kappa Delta Meet

Kappa Delta Alumnae of San Francisco, Portola Chapter, will meet Tuesday, January 24, at the home of Mrs. James Sullivan, 2966 20th avenue, for a luncheon and business meeting.

AMONG the awards to be given at the February 4 Spring Fashion Show sponsored by the Holy Angels Women's Guild are a 17-inch RCA portable television set and a Nisco electric rotisserie. The items are examined by Mrs. G. Barnoli (left) and Mrs. Ledo Belluomini, reservations chairman for the event which will be held at the Mark Hopkins Hotel. Ray Savage photo

Mr. and Mrs. August Sold

Four Generations At Golden Wedding Anniversary Party

Over 50 friends and relatives attended a buffet reception late last month, honoring the 50th wedding anniversary of Mr. and Mrs. August Sold, of 549 Hanover street, Daly City.

Four generations were represented at the December 26 party, including the Solds' daughters, Mrs. Ulich Berweger and Mrs. Stanley Michelsen; Mrs. Michelsen's daughters, Mrs. John Dennis and Mrs. Brower Dimond; and Mrs. Dennis's own children.

Mr. Sold first came to Daly City in 1905, from the province of Alsace in eastern France. At the time he was born, Alsace was a part of Germany. After establishing himself locally in the beer-brewing business, he went to Ellensburg, Washington, where he married his wife on December 24, 1910.

The Solds settled here again in 1922. They are now living with their daughter, Mrs. Michelsen, also of 549 Hanover street.

Among the relatives who attended the buffet were Mr. Sold's brother, best man at the wedding, and their other daughter, Mrs. Berweger, who now lives in Oregon.

Westmoor's Drama, Literature Students Watch Professionals

In connection with their study of the theater, Westmoor American literature and drama students have been attending a variety of plays under the supervision of their instructors, Miss Mary Ann Holden and Mrs. Doris Lindfors.

During Christmas vacation the Westmoor students attended both the ballet, "Beauty and the Beast," and the stage play "J. B."

Roderick Drew's graceful leaps and Sally Bailey's turns enchanted the students as they saw unfold the tale of the imprisoned "beast" prince who was finally freed through Beauty's love.

An entirely different type of experience for the youthful playgoers was given through the performance of MacLeish's J. B. which reiterates the story of "modern day Job." Woolock's portrayal of Mr. Zeuss was one of the highlights of the play.

"Midsummer Night's Dream," starring Bert Lahr, is next on the calendar for the students. Accompanying the drama and American literature students to this next performance will be students from additional English and art classes. The special student rate and the excellent reviews have increased interest in this performance.

Many interested Westmoor students and teachers have joined the playgoers for certain plays. Miss Holden, commenting on the great interest says, "It is gratifying to know that there are so many people interested in a practical appreciation of the living theater."

Folk-Dancing Lessons Here For Neophytes

When Daly City celebrates its 50th birthday next October, the El Camino Reelers of Daly City will host a Folk Dance Festival as one of the many activities. Folk dancers from surrounding areas will be there in beautiful, authentic costumes representing many nationalities.

If you start now, you can learn how to folk dance in a class for beginners at Daly City's War Memorial Community Center on Mission street. It is held on Friday evenings from 7:45 to 10 p.m. Unless you have had a little folk dancing experience, registrations will close January 27.

STUDENT PANEL IN DISCOURSE ON CUBA CRISIS

"Should we have continued diplomatic relations with Cuba?" This was the question considered in a panel discussion which took place in Mr. Richard Holm's sixth grade class at Fernando Rivera School on January 10.

Panel moderator, Mike Corso, introduced Anna Edwards and Cindy Knutila who presented their case for continuing relations with Cuba. Their case was based on the assumption that if relations with Cuba were discontinued they would have nowhere to turn for economic aid except to Russia.

"Russia will not aid Cuba, therefore, Castro will lose complete support of his people because of resulting economic conditions," was the crux of the case presented by Richard Esposto and Guy Aronson.

After rebuttals, pertinent questions were posed to the panel by Ron Smith, Jim Hess, Jim Cummings, Kathy Brown and John Anderson.

LOCAL MARINE ENDS ADVANCED COMBAT COURSE

Marine Pfc. Gary D. Baughn, son of Mr. and Mrs. Douglas T. Baughn of 840 Lausanne avenue, Daly City, completed four weeks of individual combat training last month at the Marine Corps Base, Camp Pendleton, Calif.

The course included the latest infantry tactics, first aid, demolitions, field fortifications and advanced schooling on weapons.

All Souls Mothers Plan Fashion Show

The All Souls Mothers Club's "Hearts and Fashions" luncheon show will be held February 11 at the San Mateo Elks Club. Clothes are from H. Liebes of San Mateo. Planning for the affair are Mmes. Wesley Backes, chairman, and Edward Grant, co-chairman. Reservations may be made at the All Souls School library or office each Monday between 1 and 4 p.m. and each Thursday between 9 a.m. and 12:30 p.m.

A floor plan sketch with seating arrangements will be on hand to assist in making your table choice. If you find it impossible to come to the school, please contact Mrs. Mario Raffaelli, 634 Pine Terrace, or Mrs. Harry Pariani, 5 Lilac lane, South San Francisco. The reservations are handled on a first-come, first-served basis, so an early start is urged.

LOCAL MEMBERS AT UC DENTAL ALUMNI MEETING IN SF

Daly City is expected to be well represented at the 65th annual meeting of the University of California Dental Alumni Association in San Francisco January 22 and 23. The meeting will be held in the St. Francis Hotel.

Local members of the association whom it is anticipated will be at the meeting include Drs. A. G. Horowitz, Raymond W. Nicholls, Donald R. Rees, Cyril S. Tukeman, Howard R. Cunningham, Raymond L. Knight, Thomas D. Lewis, Charles H. McMills, W. Robert O'Neil and Bernard L. Thompson.

Principal speakers will be Dr. Reidar F. Sognnaes, dean of the new School of Dentistry at UCLA, and Dr. Harry M. Klenda, of Wichita, Kansas.

Juvenile Justice Discussed At CCPT Board Meeting

Mrs. Foriest Cunningham, President 17th District California Congress of Parents and Teachers, represented the district at the Board of Managers' meeting held at the Sheraton-Palace Hotel, San Francisco, last Tuesday through Thursday.

The paramount issue under discussion dealt with the "Juvenile Justice Commission Report" which was endorsed by the Board. The eight basic principles involved are (1) Juvenile Court Intervention; (2) fair hearing with legal and constitutional rights protected; (3) unnecessary separation between parents and children; (4) uniform statewide court procedures; (5) reasonable court decisions; (6) detention of children only when necessary for protection; (7) court's provision of adequate protection to the child and community and (8) exploitation of clinical knowledge and skills of treatment. These basic principles were nearly identical with previous action taken by CCPT to bring about a more uniform treatment of delinquent or dependent children and youth.

Other issues aired during the meeting were: Education of Divergent Youth, and Alcohol Eduation Study and Citizens Action Program on Crime and Delinquency. Mrs. C. H. Culbertson, President of California Congress of Parents and Teachers, accepted an invitation to serve under Joseph R. Roman, Western Director of the Citizens Action Program of the National Council on Crime and Delinquency.

CANCER SOCIETY NEEDS VOLUNTERS

The need for more volunteers to expand the work of the San Mateo County American Cancer Society was pinpointed today by Dr. Robert Holmes, ACS director, and president of the San Mateo County Medical Society.

He pointed out that the county population is now approximately 420,000 and the society has about 5,000 volunteers.

"The American Cancer Society obviously urgently needs more volunteers to enable it not only to promote the necessary annual fund drive, but of major importance is the fact that only through volunteers can the society distribute the educational material which saves lives," stressed Dr. Holmes.

Molossi Gets 17 As Jeff "Jitters" To Opening Win

This is the week of "early decision" for Mike Orlich's Jeff High varsity cagers.

Friday night the Indians opened the Peninsula League race here with a 52-41 victory over tall but ragged Burlingame.

Wednesday this week the Tribe tangled with Hillsdale's rugged Knights (1-0), and this Friday evening the Daly City five will have to shoot the works against title-favored Capuchino at San Bruno.

Capuchino, rated among the top 10 teams in all of Northern California, opened league play with a 70-39 rout of Mills last week. Randy Rothman and Greg Rodgers lead the Cap attack, and if the Mustangs corral Jeff this Friday night the Indians may have to settle for a second or third-place finish.

Jeff's Gary Molossi, the deadeye guard who led the Peninsula in scoring last season, registered 7 field goals and 3 free throws against Mills. Mike Jedin was high for Burlingame with 16 points.

"Our boys didn't look so good in the opener," noted Orlich, "but probably they had the jitters since it was their first pressure game."

The Indians hit only 9 out of 36 field goal attempts in the first half. After the intermission, they hit 10 for 29.

Jeff led all the way — 13-9 ending the first quarter, 22-17 at half, and 33-29 opening the final period.

Alan Lee collected 12 points for Jeff and Sonny Stoller looped in 10, Hiram Sibley had 6, Gary Bonini 4, and Bobby With 3.

Bonmi, a 6-5 senior, is Orlich's number one center to date, a whisker ahead of Sibley.

Rick Warne's Jeff lightweights also won their opener, 40-32, as Stewart Sibley, brother of Hiram, potted 13 points. Walt Pickering had 7, while Mike Schultz and Darwyn Haanen each garnered 6 points. Schmidt was tops for Burlingame with 9.

Next week, the Jeff cagers host Mills, on Wednesday, then invade Westmoor's gym Friday night at 7:30 to renew their historic rivalry with the Rams.

In other varsity tangles last week, Hillsdale defeated San Mateo, 51-42, and South City outlasted Westmoor, 47-45.

This Wednesday, Westmoor met Burlingame, Cap faced South City, and Mills was at San Mateo.

This Friday, it's San Mateo at South City, Hillsdale at Westmoor, and Burlingame at Mills.

BOAT SHOW AHEAD: Pert Kari Sandino holds a scale model of a luxury cruiser, one of hundreds of boats in the 17th annual San Francisco National Sports & Boat Show, February 3 - 12 at the Cow Palace.

JOE MORASCO HAS RED-HOT BOWLING SERIES

Westlake Bowl's spotlight turned on the younger generation last week when young Joe Morasco rolled a 245-166-255 series for 666 pins. Les English was not far behind with a 252 game and 616 set.

Don Paulson of Alpha Meats led the adult males with a nice 626 with games of 212-213-201, and Elena Salvi, Denhard's Market, led her team to a 910 game with a set of 182-232-145-559.

Two Pin-busters Who Are Worth Watching Here

By Bob Sexton

From the scores Joe Marasco and Randy Wilcox turned in last week, you would think they were reaching for the moon, and if they did they get a big "E" for effort.

Marasco, a 16-year-old lad from St. Ignatius High School, continued to prove that he is one of the top junior bowlers in the bay area. He showed proof of this by slamming out a 255 - 245 - 166 (666 series) while rolling in the Jr. Bay Area Classic League.

Joe has more than proven his deadly accurate and pressure bowling while taking on several of the Bowl's best adult bowler in just-for-fun matches. The older bowlers have taken special notice of Joe and help him whenever the occasion presents itself.

Doing a whale of a job keeping pace with Joe is the always steady, always reliable Randy Wilcox. He's a tall strapping junior who measures well over six feet and has an uncanny capacity for deep concentration while under the pressure of competition. Last Saturday he rolled games of 196-190-224 (610).

Les English, a quiet but most effective bowler, smashed out a fabulous 252-193-171 (616 series) during last Monday's Jr. Bay Area Classic competition. He has been a member of the Senior League the past two years.

Last year Les was a member of the highly touted Westlake Red team, the champion of the First Jr. S. F. Traveling League.

Daly City Boys' Cage Loops Blaze As Mike Miller, Eddie Roseborough, Dave Kenny, Joe Richmond 'Splurge'

The Daly City Recreation Department's 1961 boys basketball leagues tipped off on January 7. Fifth grade play found Our Lady of Mercy topping OLPH, 38 - 2, and BYA Flying Goose downing the BYA Hotshots, 18-13. J. Duryea of OLM hit 11 points for top honors in the fifth grade loop.

Sixth grade action saw PAL Warriors, led by Keith Stoller and Matt De Bernardi, overpower OLPH, 31-11. The OLM Dons downed the BYA Barons, 26 - 10, and the BYA Tigers crushed the OLM Gaels, 42-16. Mike (Golden Boy) Miller of the BYA Tigers dropped 24 points through the bucket with an amazing combination of shots for a sixth grader to cop individual honors.

Seventh grade league results had the PAL Bobcats edging Ben Franklin, 27-26. The BYA Darts downed OLPH, 23-6, and OLM beat the BYA Pistons, 25-17. Bill Hernan nailed down 14 points for the Bobcats.

Outstanding individual performances featured eighth grade play. Eddie Roseborough and Dave Kenny hit 23 points apiece as Parkmerced routed the BYA Patriots, 48-14. Ben Franklin beat the Flying Goose Blues, 30 - 13. Tommy Snodgrass, an outstanding baseball pitcher, turned strikes into 16 points as the PAL Celtics turned back OLPH, 39-28. Top performance of the day was by Joe Richmond of the New Pisa Club. Richmond hit for 25 points, making 9 out of 10 via the free throw route. While coming out on the short end of the score (New Pisa 41-Flying Goose Whites 29), Eddie Cooper of the losers turned in a 16-point effort.

Arrested Violator Somewhat 'Grateful'

A Eureka man arrested for having a loaded .22 rifle in his car expressed grudging gratitude for being picked up, despite the fact that it cost him a $25 fine, according to Warden Herb Christie. The weapon had not been used for two months, according to the owner and must have been in the car or at home all that time—loaded. He said he had no idea it was loaded and was "glad to find it out."

Expedition By 'DC Rockhounds' Pays Dividends

The Daly City Rockhounds traveled to Corral Hollow on January 7 for a rock collecting expedition. The group consisted of 24 adults and 19 children. After a morning spent combing a river bed for minerals, picnic lunches were enjoyed by all. The afternoon found the group exploring the surrounding hills. Specimens of jasper, agate, petrified wood, calcite crystals, marble and rhodonite were discovered. Two abandoned mines were investigated by class instructor Gene Myers. George Shinazy and Elmer Meinzer located a deposit of calcite crystals on a hillside for the largest find of the day. The Rockhounds' next field trip will be on February 4. Location, time and directions will be announced later.

The first class on gemstone and jewelry started January 10, and will continue every Monday evening from 7:30 - 9:30 thereafter.

Flu Bug Handicaps Westmoor

South City Varsity Spoils Rams' Debut With 47-45 Verdict

Westmoor High's varsity cagers, 47-45 loser to South San Francisco in the Peninsula League opener last Friday, should be "healthier" today when the Rams travel to meet Burlingame.

This Friday night at Westmoor, Coach Tony Giammona's squad hosts Hillsdale. The lightweights open at 7:30 p.m. Giammona's team in its debut was without the services of first string forwards Barry Krohn and Mike Daniels, both victims of the flu. Guard Terry Christman, also ailing, managed to play and bucketed 13 points against the Warriors. Ron Schaefer also meshed 13 at forward for Westmoor.

South SF led all the way. It was 26-14 at halftime, but the Rams closed the gap with 31 points in the final two periods.

Giammona praised the work of reserve Joe Butorac at guard. Coming in just before half-time, Joe had 9 points. Gary Allard, 6-3 transfer from St. Ignatius, started at center for Westmoor and got 8 points.

The Warriors were led by Johnson's 11 points and 10 by Hamilton.

Westmoor's 30's, coached by Byron Van Alstyne, also lost, 42-31, as Abold and Duffy of the wee Warriors posted 19 and 11 points. Mike Lanier was the Rams' high pointer with 9. Jim Lair had 7 for Westmoor.

For this week's games, Giammona hopes to have his "original" starters — Krohn, Daniels, Allard, Schaefer and Christman — "all" in good physical condition.

"Not to take anything away from South San Francisco . . . but it hurts when you have two regulars out with the flu," Giammona lamented.

CYCLING CLUB WELCOMES NEW MEMBERS IN '61

The Western Wanderers Club, now in its 20th year, has announced its annual prespring membership drive.

Those interested in cycling for fun or relaxation, and either old enough to ride a bike, or young enough to want to, may find new pleasure in the open air by joining the club.

Prospective new members wishing additional information may telephone or write to: Larry Marquez, 232 Juniper avenue, South San Francisco, JU 3-9865; or Harry Franklin, 3586 California street, San Francisco, JO 7-2008.

Clam Census Shows Fair Hatch In '60

A recently completed Pismo clam census showed that there was a fair hatch of young clams this year at Pismo Beach and good survival from the hatch of the previous three years.

Clams hatched in 1957, which was the best set in recent years, have reached a size of three to four inches and some should hit the legal size of four and one-half inches by next fall.

At Morro Bay, where there has been no really good hatch since 1944, young Pismo clams were again scarce in the '60 census.

KICKBALL TITLE CAPTURED BY 'UNTOUCHABLES'

Intramural kickball has ended its first round at Vista Mar School, with Miss Rooney's "Untouchables" capturing the title. Volleyball for the girls and baseball for the boys are now on the planning agenda.

Another factor in health education has been stressed with first and second graders this past week, with every child in the school in the first grade and all referrals in the school having been given individual audiometric tests. These tests many times reveal a hearing defect which can influence a child's academic and social growth.

Dental hygienists from the University of California Dental School gave a talk to first and second grade students, using puppets, large-size toothbrushes, and other visual aids to stimulate and encourage dental care.

Election Results At Jefferson Elementary School

Jefferson Elementary School student body elections for the spring semester were held recently. Susan Chiappari was elected president and Madelyn Martinelli was chosen recording secretary.

The elected Student Council members are: John Handly, Denise Thompson, Louis Matteccu, Ellen Gerino, Frank Chong, Debra Almquist, Lois Bolinger, and Marty Vinzi—all representing the fifth grades.

Sixth grades are represented by Ronald Cortopassi, Judy Stout, and Steven Willey. Karen Hart is a primary representative.

The broad, high Sierra Madre Occidental forms the Continental Divide in Mexico.

King Salmon Experiment Results Told

One significant result of the king salmon marking and releasing experiment begun early in 1959 by the Department of Fish and Game was that all marked spawners recovered last year had returned to their home hatchery or spawning areas nearby. These fish were released in various spots —some of them being trucked all the way to San Francisco Bay—so apparently their homing instincts were already formed when they were released at the age of four months.

Very few of the fish were large enough to be retained by commercial fishermen but sport anglers took numbers of them in the ocean and the Sacramento River.

The young fish were raised and marked at the U. S. Fish and Wildlife Service's Coleman Hatchery and released in four lots. One lot was placed in the river at Chico, another was trucked to Rio Vista and placed in the river there, still another lot was hauled to Rio Vista and transferred by livebait boat to San Francisco Bay and the fourth lot was trucked all the way to the bay. Similar marking and releasing was done last spring and will continue this year.

Purpose of the experiment is to determine which part of the migration to the sea is the most hazardous for the young salmon.

Total percentage of recovery of the marked fish last year, both in the creel and on the spawning grounds was greatest for the boated fish. Lowest recovery was of the fish released into the water at Rio Vista.

Department biologists believe these percentages of recovery will change from year to year.

Determination of the effects of downstream migration hazards must await completion of the experiment, but much valuable information is expected to be gleaned from year to year in the meanwhile.

EIGHTH GRADER Stacy Cusulos from Benjamin Franklin School explains the functions of the Security Council of the United Nations to the Daly City-Colma Lions Club at their recent meeting. Principal Len Herbst, introduced these students and their teacher, Robert Daugherty. Following the individual presentations there was a lively discussion concerning the admission of Red China to this international organization. Other participants in this program were (from left) John Gurrettaz, Patti Cox, Stacy Cusulos, Donna Marizzi, Cheryl Bertano, Charles Pengra and Mike Elston. David Willey photo

Entrance Exams At San Mateo College For Spring Courses

The final date for entrance examinations for the spring semester at College of San Mateo has been announced by Edmond Shinn of the College testing service.

On Monday, January 30, at 8 a.m. in room 19G, Coyote Point, the English placement test will be given to students entering for the spring semester. On that same day, the aptitude test will be administered at 1 p.m. in Room 19G. Both tests are required of all students wishing to enroll. Test results are used throughout the counseling program to assist in proper placement of students for maximum achievement.

Mr. Shinn, in noting that the new schedule is a departure from that of previous years, reminds applicants that entrance examinations will not be given during general registration on January 31. Said Shinn, "New students who have not yet taken the entrance examinations have only the remaining test day, January 30, on which to do so. It is also imperative that students arrive well in advance of starting hours, since all tests are timed."

Additional information, applications, and class schedules may be obtained from the Office of Admissions and Registration, Coyote Point campus.

DINOSAUR TRACKS

Dinosaur tracks discovered on the Navajo Reservation north of Phoenix in Arizona are reported by the National Automobile Club to show that the stride of these prehistoric monsters was more than 12 feet.

Boasting about your home, Higgins? Well, that's understandable. Most men who have worked hard through the years to buy good homes for their families are proud of them.

Nice as your home is, its location in a progressive community, with all the public facilities needed for modern living, adds greatly to its attractiveness.

Someday—perhaps years from now—you may sell your home. When you do, the good schools, well-equipped fire department, modern hospitals, ample supply of pure water and other community assets can make a difference of *several thousand dollars cash in your pocket.*

Of course, you share the cost of these community assets. But the cost is spread over a long period of time to keep taxes at a reasonable rate. This is done by sale of *municipal bonds* on a competitive bid basis.

The Bank of America and its associated investment dealers bid on virtually all municipal bonds issued in the State. That's because we have confidence in the future of California and communities like yours.

Being right there on the scene, you know the business, industry and people in your community as well as anybody does. You've watched it grow and improve as the years went by. You've helped by voting for needed bond issues.

But have you ever thought of *buying* the municipal bonds issued in your area? They're available in denomination of $1,000. Municipal bonds pay you a good return and the income you get is *tax free.* The manager of your local branch of the Bank of America will be glad to give you full information — or you may write to
